

IMS Panther Passage

Validator Questions

If time allows, you may be asked some of the following questions during your Panther Passage Presentation. Please review them before your scheduled time and think about how you might respond to them if asked.

1. What subject(s) have you found most interesting and why?
2. What subject(s) was the most difficult for you? What types of things did you try to deal with these difficulties? What worked?
3. What are you passionate about? (Doesn't have to be school related.)
4. What advice would you give to an incoming sixth grader about middle school?
5. What will be your fondest memory from IMS?
6. What was the biggest challenge you faced here at IMS?
7. What other activities outside of school do you enjoy?
8. 9th Grade is a big year—lots of new people and classes. What changes will you make in order to be successful?
9. What are you looking forward to most about next year?
10. Tell us about something that is interesting about you that you don't think many people would know.
11. Can you tell us about a situation where something didn't go well for you (project, test, friendship, game, activity) where you were able to find a way to learn from the situation?
12. Tell us about someone you admire and why.
